J U D G M E N T

The petitioners have filed this application Under Section 13(B) of the Hindu Marriage Act, 1955 for divorce by mutual consent.

2. The facts of the case of the petitioners are that their marriage was solemnized as per Hindu customs and tradition on 10.12.2012 and they have no issue out of their wedlock. Due to differences arose between them which could not be resolved they started living separately since February, 2013. The petition was presented before this Court on 14.08.2014. Therefore, they have been living separately more than one year. It is further averred that several attempts have been made by the family members, friends and well wishers for their reunion but all were in vain. According to them, their consent has not been obtained by exercising fear, force, fraud, coercion or undue influence.

3. Both the petitioners were examined on oath as P.Ws. 1 and 2 respectively. They have stated unanimously that their marriage was

solemnized according to Hindu rites on 10.12.2012. Due to indelible temperament, and mental incompatibility and difference of opinion they have been living separately since February, 2013. Although their friends and relatives tried their best to reunite them yet reconciliation was not possible. A chance of reunion was remote and having no other alternative both of them decided to dissolve the marriage by mutual consent and their consent is free consent for dissolution of the marriage.

4. Petitioner No. 2 stated that she has no claim of any alimony for past, present and future for herself. In view of above admission by the petitioner No. 2, she is not entitled to get any further alimony from petitioner No.1. Both of them stated on oath that they have been living separately since February, 2013 and they are not able to live together and they have mutually agreed that their marriage should be dissolved. The Court should not stand as a bar to their future life. The petition of the petitioners succeed. Hence, it is ordered;

O R D E R
